PATRIOTIC LEAGUE,Boulanger More a Patriot
Than a Soldier.**TRANSCONTINENTAL MEETING.**

A Prize Fight—The East African
Company—Explosion—In Mem-
ory of Hendricks.

The Patriotic League.

PARIS, November 25.—M. DeRouille made a speech at a meeting of the Patriotic League, to-day. He spoke in terms of warm praise of General Boulanger; referring to the recent accident to the Russian imperial train, he expressed sympathy with the Czar, and rejoiced over his escape from harm. The speech was greatly applauded, and especially the references to General Boulanger.

The meeting was held in a restaurant, and access to outsiders was barred by the police, who prevented the proposed public reception. Few arrests were made, but the proceedings were, in the main, orderly. At the conclusion of the banquet General Boulanger made a speech, in which he said: "I am more a patriot than a soldier. I ardently desire peace, not the peace which is demanded, but the peace imposed by a firm and dignified attitude; that is the only peace acceptable to French hearts." He inveighed against the policy which divided the forces of the country, causing misleading appearances of weakness; misleading, because the least appeal to the country would cause all internal dissension to vanish like a bad dream. He strongly denounced Ferry for wasting the country's resources in Tonquin, while cognizant of the perils which threatened France.

Gaulois asserts that government intends to dissolve the Patriotic League.

The Transcontinental Meeting.

CHICAGO, November 26.—It is understood the transcontinental meeting which has been held in St. Louis the past week, will adjourn to Chicago and finish its work here. The meeting of the passenger department resulted in the establishment of passenger rates from the eastern terminal of the lines to Pacific Coast points. The St. Paul, the Manitoba and Canadian Pacific via Winnipeg, are allowed a differential of \$10 on first-class limited and \$5 on second-class from St. Paul and Chicago to Puget Sound points, Portland, Sacramento, Stockton, Lathrop and San Francisco.

The East Africa Company.

BERLIN, November 25.—The directors of the East Africa Company met and unanimously resolved to inform government that the company will relinquish none of its rights in East Africa; that its intention is to strengthen Bagamoyo and Darasaton with stone forts, and to attempt to reconquer other stations, under the protection of the blockading squadron. It is decided to ask the Reichstag for support.

A Sunday Prize-Fight.

KANSAS CITY, Mo., November 25.—Dan Agan, "Montana Kid," and Billy Hennessy, of Kansas City, fought thirty-two desperate rounds with skin-tight gloves in Leavenworth County, Kansas, this afternoon. The fight began in Johnson County, near the Wyandotte County line, but the principals and spectators were driven off by the sheriffs of the two counties, and the fight was finished in Leavenworth County. The fight was given to Hennessy. Both men were badly punished.

In Memory of Hendricks.

INDIANAPOLIS, November 26.—The Memory of Thomas A. Hendricks was honored to-day, on the third anniversary of his death, by memorial services over his grave, conducted by the Hendricks Club of this city.

Slavers Captured.

SEAKIM, November 25.—The British recently captured seven slave dhows, after a severe fight, in which many persons were wounded. The Italian Government claims possession of the dhows, on the ground that they were captured in the waters of the Italian jurisdiction.

Forty-one Tramps.

NEW YORK, November 25.—Forty-one men started on a six day's tramp at Madison Square Garden to-night. Eight thousand persons were present.

A Supposed Challenge.

LEXINGTON, Ky., November 26.—J. C. Moore, of Denver, is here. He is supposed to have a challenge to Senator Blackburn from Judge Rucker.

Fatal Powder Explosion.

NEW HOLLAND, Pa., November 26.—By an explosion of a keg of powder in the store of George Barner, at Scranton, on Wolf Mountain, Saturday, Bertha his 10-year-old daughter, was killed and Barner fatally injured, and his wife and two of their other children slightly injured.

Edward Harrington.

DUBLIN, November 26.—Edward Harrington, M. P., failed to appear to-day in answer to the summons charging him with inciting tenants to adopt the plan of campaign, through his paper, the Kerry Sentinel. His counsel applied for a postponement in order that Harrington could attend the sittings of the Parnell commission in London. The magistrate refused to grant the application, because the inciting continued. A warrant was issued for Harrington's arrest.

The Pope congratulates.

ROME, November 25.—The Pope has instructed Cardinal Gibbons to congratulate Mr. Harrison on his return to the Presidency.

Imports on Copper.

St. PETERSBURG, November 25.—The import duties on sheet copper have been increased 30 copecks per pound. The duty on copper bottomed wooden

ships has been fixed at 12 roubles for the first hundred tons and 6 for every additional hundred tons.

Fire Record.

SYDNEY, N. S. W., November 26.—The offices of the Town and Country Journal, newspaper, were burned. Loss \$100,000. The offices were the finest in Australia.

Boulanger's Wife and a Widow.

PARIS, November 25.—Boulanger's wife is taking steps to obtain a divorce. It is stated that one of the richest widows in France is willing to marry Boulanger.
